EVENT CREW

We are looking for assistance on weekends from June to September for set up and tear down of our weddings this season. This role can be part time or expanded into a more full-time position for the right candidate. Opportunities exist to assist with daily tasting room execution as well.

You will be a part of the daily interactions with our guests and their experiences and will ensure the tasting room is clean and well organised. With the ebb and flow of daily visitors and the crucial time management of events, you will need to be efficient, able to multi-task, and have exceptional customer service skills.

Responsibilities

- Help with the tasting room transition into an event venue
- Assist with event and wedding set up/tear down as required by the Hospitality Manager and Wedding Coordinator
- Aid vendors as needed
- Greet all visitors and maintain a clean work environment
- Assist with additional tasks when necessary; shipments, stocking, & cleaning

Desired Skills

- Enthusiasm to learn
- Works well in team environments
- Cheerful demeanor
- Strong time management
- Able to lift 40lbs repetitively and stand for extended periods of time
- Must have open availability to work weekends, late nights and holidays
- No wine education necessary
- Previous event or serving background considered a bonus
